

HUNTER EYE SURGEONS

Belmont

Waratah

Maitland

*Big enough for any ophthalmic problem,
small enough to care!*

PATIENT GUIDE

Why Choose Hunter Eye Surgeons?

One. We are the **largest group of Ophthalmic Surgeons in the Hunter Valley**, with locations in Belmont, Waratah & Maitland.

Two. We are **affiliated with Newcastle Eye Hospital, the only exclusive Eye Hospital in the Hunter Valley** licensed with the Department of Health.

Three. Our Surgeons are **Leaders in Cataract Surgery, Retinal Surgery and Glaucoma**, with recent publications in leading journals.

Four. Our Surgeons are invited **speakers** to Ophthalmology conferences.

Five. We invest in the **latest technology**.

Six. Our Surgeons are **VMO's at Public Hospitals** across the region, allowing you to have surgery in a public hospital if desired.

Seven. A report is sent to your **GP and optometrist** to ensure **continuity and consistency of care**. You can have this report if you want as well.

“What’s that mean for you?”
“You are in safe hands ”

What happens at your 1st appointment with your Ophthalmologist?

One. Bring a driver with you as we will need to dilate your pupils.

Two. Our highly trained and friendly clinic staff will;

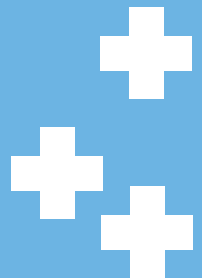

- ✦ Ask about your medical history.
- ✦ Check your current medications.
- ✦ Perform painless eye tests and scans.

Three. Have a preliminary briefing on your condition.

Four. Now it’s time to see your Ophthalmologist, who will conduct further tests and discuss the findings with you.

Five. If surgery is decided to be the right option, the Doctor will discuss this with you.

Note: To plan your visit, set aside **2 hours** for your first appointment.
